Flooring

Jackel Enterprises has been in the high-quality lumber business for 14 years. We are known and respected by contractors, cabinet makers, furniture makers, designers and architects for our ability to provide excellent wood and wood products. We are now expanding our flooring division. Due to low overhead at our Watsonville warehouse, we are able to provide extremely competitive pricing. Come and visit our newly updated showroom located at 347 Locust St. and browse our expanded product line.
