Box Beams

Jackel Enterprises manufactures box beams in many species. Primarily working with Doug Fir, we've made box beams from 4 x 4 to 12 x 18 and lengths to 35 feet. We've fabricated systems for entire homes. Specializing in faux hand hewn with antiqued finish, our box beams add a distinctive appearance to your project.

Mantles

We produce custom mantles in rustic kiln dried Doug Fir. Our mantles can be made with different textures. Hand hewn with antiqued finish or distressed texture are available. Sizes are 4 x 6 through 4 x 12 and 6 x 6 through 6 x 12 to specific lengths. Other sizes are available as custom orders.

Corbels, Outriggers, Rafters, Rafter Tails, Trellis, Gazebos

Jackel stocks Doug Fir in a #1 Structural KD rough in 4x and 6x. Other sizes and species are available by special order. We mill to your specifications. Recycled timbers are available.

We have a large inventory of #2 Clear Western Red Cedar in sizes from 4 x 4 to 12 x 12 and wider, lengths to 20 feet. Other grades and dimensions are available by special order. We mill to your specifications.

Quality Wood Products

*Custom Projects Welcome.
We manufacture arched box beams.*

Ceiling and Wall Treatments

Jackel can manufacture standard or custom patterns to your specification. We specialize in vertical fine grain Doug Fir and Western Red Cedar. We can produce patterns in most lumber species.

Exterior Siding and Trim

Jackel can provide you with Western Red Cedar or Redwood sidings and trim packages. These are available as standard or custom patterns. While our strength is Vertical Grain Old Growth Western Red Cedar, we can also provide you with Clear or STK Cedar.

Interior Molding

Jackel can manufacture standard or custom patterns to your specifications for base, crown, casing, whatever your needs, and in most species.
