Mill Products

Jackel Enterprises, Incorporated is situated in over 20,000 square feet of warehouse and mill shop centrally located to the Monterey Bay in Watsonville, California. Jackel is dedicated to providing high quality hardwoods and softwoods to the discerning builder, woodworker, cabinetmaker, furniture builder, manufacturer and millwork shop.

Jackel's focus is geared to providing quality, service and value for those wood users whose work requires high quality and exacting detail. Our deep appreciation of fine woods has led us to procure superior grades of lumber, enabling our customers to fabricate products of high value.

Our goal is to facilitate your lumber needs, to provide an important link in the building process, and to enable you, the building professional, to transform an idea or a plan to the finished product by supplying the best materials, excellent service and ultimately outstanding value.
